

36th PGIA ANNUAL CONGRESS

The Annual Congress is an international scientific forum organized by the PGIA. The congress promotes postgraduate research in agriculture by providing a platform for postgraduate students to showcase their research findings for discussion and debate among wider scientific community. In addition, the congress is graced by eminent scientists delivering invited speeches.

CALL FOR PAPERS

You are invited to submit a full paper or an extended abstract if your postgraduate research is ongoing or completed after July 31, 2020. Abstracts of all accepted papers will be published in the proceedings of the congress. Accepted full papers will be considered for oral or poster presentations, while extended abstracts will only be considered for poster presentations. Selected full papers will be published in the peer reviewed, DOA, AGORA, J-Gate, and EBSCO CAB indexed, quarterly journal "Tropical Agricultural Research", volume 36, available in Sri Lanka Journals Online (www.sjoi.infor).

THEMATIC AREAS FOR SUBMISSIONS

- Crop Production and Protection Technologies
- Food, Nutrition and Postharvest Technologies
- AI-Driven Innovations in Agriculture
