

Enrollment for the Semester II – 2015

(Please follow the steps below)

Step 1 – Please register at the admission branch after making necessary payments

Step 2 – Login to your MIS

Step 2 – Click “Semester Enrollment” and in the dropdown menu, select the “Enroll Semester Courses” link

Step 3 – Select the year (2015) and semester (semester II) to proceed

Step 4 – Select the courses you want to enroll in semester II

Step 5 – Click submit button to submit your enrollment

In case if you want to change your selections you can do so until 22nd July 2015. You can follow the steps below.

- To add courses to your selection follow the same path and click the checkbox in front of the courses you want to add in “enroll Column” and submit.
- To drop courses follow the same path and click the check box in “drop Column” in front of the courses you want to drop and submit.

Note

If you want to enroll for courses outside your package, please contact the registration branch
