

Postgraduate Institute of Agriculture

Board of Study in Soil Science

Timetable First Semester 2019

Friday	Saturday	Sunday
	8.00-11.00 am SS 5110 (C)	8.00-11.00 am SS 5111 (C)
	11.30-1.30 pm SS 5113 (C)	
1.30-3.30 pm SS 5156 (E)	2.30-4.30 pm SS 5107 (E)	12.00-3.00 pm SS 5152 (C)
4.00-6.00 pm SS 6101(E)		3.30-5.30 pm SS 5114 (E)

(C) Compulsory courses; (E) Elective courses

Venue: Room No 105

Courses offered for M.Sc. in Environmental Soil Science

SS 5110	Environmental soil physics (3) (compulsory)	
SS 5111	Environmental soil chemistry (3) (compulsory)	
SS 5113	Environmental microbiology (2) (compulsory)	
SS 5152	Techniques in soil, plant, water and fertilizer analysis (3) (compulsory)	
SS 5107	Formation and characteristics of Tropical soils (2) (Elective)	
SS 5114	Digital Soil Mapping (2) (Elective)	
SS 5156	Water quality and environment (2) (Elective)	
SS 6101	Tracer techniques in soil and plant studies (2) (Elective)	

Courses offered for other degree programs

Please contact the course coordinator to schedule classes for these subjects.

SS 5151	Management of soil organic matter	<i>Prof. KA Nandasena</i>
SS 5106	Environmental pollution and control	<i>Dr. WS Dandeniya</i>
SS 5155	Management of tropical soils	<i>Dr. WAU Vitharana</i>
SS 5104	Plant Nutrition (2)	<i>Prof. KA Nandasena</i>
SS 5112	Soil-plant-water systems	<i>Prof. KA Nandasena</i>
