

**Timetables**  
**1<sup>st</sup> Semester 2023**

**MSc Plant Biology Conservation & Breeding**

| <b>Time</b>    | <b>Saturday</b>  | <b>Sunday</b>                                       |
|----------------|--|---|
| 8.00-10.00 am  | AB 5108<br>Principles of Plant Breeding                        | AB 5116<br>Plant Biochemistry                       |
| 10.15-12.15 pm | AB 5111<br>Exploration and Characterization<br>of PGR          | AB 5113<br>Photosynthesis and Plant<br>Productivity |
| 1.00-3.00 pm   | AB 5110<br>Crop Genetic Resources                              | AB 5105<br>Cellular Genetics                        |
| 3.15-5.15 pm   | AB 5120<br>Theory and Techniques<br>of Plant Gene Manipulation | AB 5118<br>Polygenic Inheritance                    |
| 5.30-6.30 pm   | AB 5109<br>Plant Reproductive Biology                          |   |
