

POSTGRADUATE INSTITUTE OF AGRICULTURE (PGIA) UNIVERSITY OF PERADENIYA

Applications are Now open for the Master's and M.Sc. Programs in **Agricultural and Bio-Systems Engineering**

For More Information visit our
website :
<http://www.pgia.pdn.ac.lk/>

<http://www.pgia.pdn.ac.lk/>

2025/26

Lectures will be conducted Online

(Lectures will be delivered online, while
practical sessions and examinations will
be conducted on ground)

Why Choose Us

- Globally accepted and Prestigious Postgraduate Qualifications
- Distinguished Faculty
- Robust, Industry and Environment-Relevant Curriculum
- Hands-On Learning Experience
- Expanded Research Opportunities

Application Deadline: 10th March, 2026

Master of Agricultural and Bio-systems Engineering

- Duration: 1 year (Course work only)
- SLQF Level 9

M.Sc. In Agricultural and Bio-systems Engineering

- Duration: 2 years (Course work + Research)
- SLQF Level 10

Agricultural and Biosystems Engineering degree program emphasizes the innovative and sustainable use of technology to create healthy agricultural, environment and processing systems.

Who can Apply

Candidates possessing a bachelor's degree, preferably in Agricultural Technology and Management, Agriculture, Engineering, Biosystem technology or Natural Sciences or any equivalent qualification from a recognized institute of higher education acceptable to the Senate of the University of Peradeniya.

What you learn

- Precision Agriculture and Smart Farming
- Power and Machinery Engineering
- Postharvest Technology and Food Process Engineering
- Bioenergy and Renewable Energy
- Environmental Waste Management
