

**Fees Structure – 2018**  
**January Intake - Peradeniya**

(a) **Fees for M.Sc./MBA Degree Programmes**

| <b>Board of Study</b>     | <b>Degree Programme</b>                     | <b>Fee – Rs.</b> |
|---------------------------|---|------------------|
| Agricultural Biology      | Plant Biology Conservation & Breeding (CW)  | 125,000*         |
|                           | Plant Biology Conservation & Breeding(CW&R) | 225,000          |
|                           | Biotechnology (CW)                          | 250,000          |
|                           | Biotechnology (CW &R)                       | 350,000          |
| Agric. Economics          | All programmes (CW)                         | 100,000          |
|                           | All programmes (CW & R)                     | 200,000          |
|                           | PG Diploma                                  | 70,000           |
| Agricultural Engineering  | All programmes (CW)                         | 150,000          |
|                           | All Programmes (CW & R)                     | 250,000          |
| Agric. Extension          | Dev. Com. & Extension (CW)                  | 125,000          |
|                           | Dev. Com. & Extension (CW&R)                | 225,000          |
|                           | Organizational Management (CW)              | 175,000          |
|                           | Organizational Management (CW&R)            | 275,000          |
| Animal Science            | All programmes (CW)                         | 125,000          |
|                           | All programmes (CW & R)                     | 225,000          |
| Business Administration   | MBA (CW)                                    | 250,000          |
|                           | MBA (CW &R)                                 | 250,000          |
|                           | Text books                                  | 120,000          |
| Bio-statistics            | Applied Statistics (CW)                     | 150,000          |
|                           | Applied Statistics (CW&R)                   | 250,000          |
|                           | Biostatistics (CW)                          | 150,000          |
|                           | Biostatistics (CW & R)                      | 250,000          |
|                           | PG Diploma                                  | 125,000          |
| Crop Science              | Crop Science (CW)                           | 150,000          |
|                           | Crop Science (CW&R)                         | 250,000          |
|                           | Environmental Forestry (CW)                 | 150,000          |
|                           | Environmental Forestry (CW&R)               | 250,000          |
|                           | Floriculture & Landscape Architecture(CW)   | 150,000          |
|                           | Floriculture & Landscape Architecture(CW&R) | 250,000          |
|                           | Tropical Agriculture (CW)                   | 400,000          |
|                           | Tropical Agriculture (CW&R)                 | 400,000          |
|                           | Plantation Crop Management (CW)             | 150,000          |
|                           | Plantation Crop Management (CW&R)           | 250,000          |
|                           | Horticulture (CW)                           | 150,000          |
| Horticulture (CW&R)       | 250,000                                     |                  |
| Food Science & Technology | Food Sc. & Technology (CW)                  | 150,000          |
|                           | Food Sc. & Technology (CW &R)               | 250,000          |
|                           | Food & Nutrition (CW)                       | 150,000          |
|                           | Food & Nutrition (CW&R)                     | 250,000          |
| Plant Protection          | Plant Protection Technology (CW)            | 125,000**        |
|                           | Plant Protection Technology (CW&R)          | 225,000          |
|                           | Molecular & Applied Microbiology (CW)       | 125,000***       |
|                           | Molecular & Applied Microbiology(CW&R)      | 225,000          |
| Soil Science              | All programmes (CW)                         | 125,000          |
|                           | All programmes (CW&R)                       | 225,000          |

\* inclusive practicum fee

\*\* inclusive practicum – Rs. 10,000

\*\*\* inclusive practicum – Rs. 20,000

(b) **Fees for Research Students**

**Course work and Research -** M.Sc. – Relevant M.Sc. programme Fee + 100,000

**Research degrees -** M.Phil. - Rs. 250,000

DBA - Rs. 500,000

Ph.D. - Rs. 350,000

(c) **Other Fees**

| <b>Other Fees</b>   | <b>Rs.</b> |
|---|------------|
| <b>Application Fee</b>  | 1500       |
| Registration (per semester)   | 2000       |
| Comprehensive Examination (per attempt)   | 7500       |
| Thesis Defence Examination (per attempt)  | 7500       |
| Refundable Library Deposit (per programme)  | 5000       |
